Open Call for Applications: DCTA Summer Fellowship

DCTA is seeking a leader in your region for paid summer organizing work. Fellows will receive organizing training and weekly supervision by professional organizers, as they develop relationships across their region with the goal of building sustainable power that can be leveraged next school year. Expectations for fellows include around 20 hours per week of: training, supervision, 1:1 conversations with parents, community, and educators, and participation in a learning cohort.

If you're interested in applying for the fellowship, send an email to dcta@coloradoea.org with Summer Fellowship Application in the subject line. In the email, include your name, school, past organizing experience, and why you're interested in the program. Incomplete applications will not be considered. Please consider whether you intend to remain in the district for the foreseeable future before applying.

Tell the Board to "Let Them Unionize"!

For over a year now, two employee groups have been trying to unionize in DPS. Their progress has been blocked by the DPS Board who claims to be "making a policy" about the unionizing process. Your colleagues, the Sign Language Interpreters and CTE Protechs are fed up with waiting on a district that doesn’t respect their legal right to unionize.

A third group, the Building and Grounds workers, although already unionized voted to
affiliate with CEA weeks ago, and yet the district refuses to recognize their affiliation.

It’s time for DPS to respect its workers by recognizing their legal right to collectively bargain and creating a policy for groups to use. We’re going to the School Board on April 25th at 5pm in solidarity to demand better treatment for professionals in DPS! Email the School Board and join us at the Emily Griffith Building (1860 Lincoln St.)!

Salary Setting Letters Coming!

In order to prepare for the transition to our new salary system, DPS is in the process of sending out letters to teachers and SSPs detailing what the District believes your salary will be beginning next year. Please be sure to read the letters, and confirm the information given. If you believe that the District has made an error in your letter, please let them know as soon as possible. Instructions on how to do so is included in the letter!

These salary setting letters are being sent in waves, and everyone should receive one before April 30. If you do not, please contact payroll.

Win a School Lounge Makeover

California Casualty wants to help transform your school lounge into something extraordinary. Members who enter to win by July 12 could start next year school with the cheerful, restful environment that will be the envy of the district. The California Casualty School Lounge Makeover is valued at $7,500!

DCTA Recommends Holding Rep Elections Soon

We advise you to hold your DCTA Building Rep elections soon. There are a limited number of non-student contact days scheduled for the 2019-2020 school year. Avoid the possibility of not having days left for teacher-directed planning. If you wait until the next school year begins, your administrator may use the majority during the first week back. DPS has already blocked out 3 of the non-student contact days, leaving only 8.5 days throughout the year from which to schedule your 5 teacher-directed planning days. See next year’s calendar here.

Collaborate Results

Many of you have been wondering when you will get feedback on the CollaboRATE surveys you completed. Results were released last week (delayed due to the strike). Administrators have been encouraged to share results with their School Leadership Teams, but are not required to do so. However, there is nothing prohibiting school leaders from sharing the details. Please request this information from the members of your SLT.

If you don’t think this is right, email Susana_Cordova@DPSK12.org and copy
Have you been assaulted at work? Has someone made false allegations of assault against you?

A group of concerned DCTA members want to hear from you if DPS is failing to keep you safe from assaults and false allegations. The DCTA agreement has specific language regarding how these situations should be handled; however, we hear often that it’s just not happening. If you have a story to share, write to us at DCTA@coloradoea.org with ASSAULTS/FALSE ALLEGATIONS in the subject line. Include your name and school with your story.

What to Do if You are Non-Renewed?

Immediately request letters of recommendation from supportive district administrators
and colleagues. Do not wait for board action to take this step. Obtain these letters immediately and do not wait until the end of the school year. The district may pressure you to resign “voluntarily” rather than face non-renewal by asserting that a resignation will look better to prospective employers on their resumes. We advise teachers to reject the “voluntary resignation” offer in these situations because the act of resigning may make you ineligible for unemployment compensation and may also affect your future teaching license renewal. Prospective new employers understand lay-offs while employment applications will ask you if you resigned in lieu of a non-renewal. We recommend you apply for unemployment the day after the last day of school, as summer pay is for work already performed and you are essentially “laid off.”

If your unemployment benefit is denied, contact DCTA immediately so we can appeal the decision within 20 calendar days from the date the denial was mailed. It is important to maintain your CEA/NEA membership in case we need to seek legal help for you. If you feel that the evaluation process was violated, or if you are in fact, a non-probationary teacher, contact DCTA immediately; however, this will not affect the non-renewal, but can change your evaluation as you seek other employment. Lastly, if you choose to resign. You must provide 30 calendar days’ notice (30 days before the next academic year resumes) or risk losing up to a month’s pay.

Save the Date: May 1st!
